

# TIRE WARRANTY

## (Limited Warranty)

The Les Schwab Tire Warranty (Limited Warranty) is provided with your tire purchase at no additional cost. The Les Schwab Tire Warranty is valid for the original purchaser of the new passenger, tubeless light truck, trailer and/or camper tires listed on the attached original invoice (Covered Tires). The Les Schwab Tire Warranty (Limited Warranty) includes no-hassle road hazard protection, free tire maintenance, 60-day satisfaction guarantee and a Limited Warranty for Tread Life (if applicable).

### NO-HASSLE ROAD HAZARD PROTECTION

The road can throw a lot at your tires, from potholes to nails. If a tire is damaged due to a road hazard, and the tread is not worn to 2/32" or less, we will repair or replace 100% of that Covered Tire under the terms of the Les Schwab Tire Warranty (Limited Warranty). Plus, our workmanship is also 100% guaranteed for the life of your Covered Tires.

### FREE TIRE MAINTENANCE

We want you to get the most life out of your tires as well as optimized fuel efficiency or EV range. To do that, we provide free flat repairs, tire rotations, rebalancing, air pressure checks, brake checks, alignment checks, and seasonal tire changeovers for the life of your Covered Tires. Free seasonal tire changeovers are valid on premounted Covered Tires only.

### 60-DAY SATISFACTION GUARANTEE

If you are unsatisfied with your tires within 60 days of purchase and you have worn no more than 2/32" of tread, bring them back and Les Schwab will provide a full credit of the purchase price towards a new set of tires.

### LIMITED WARRANTY FOR TREAD LIFE

Les Schwab warrants the tread life of the Covered Tires for the mileage indicated below:

<input type="checkbox"/> 30,000	<input type="checkbox"/> 40,000	<input type="checkbox"/> 50,000	<input type="checkbox"/> 60,000	<input type="checkbox"/> 70,000	<input type="checkbox"/> Staggered
<input type="checkbox"/> 35,000	<input type="checkbox"/> 45,000	<input type="checkbox"/> 55,000	<input type="checkbox"/> 65,000	<input type="checkbox"/> 80,000	

See the reverse side for descriptions of the free Care Services and the terms, conditions, limitations, and exclusions of the Les Schwab Tire Warranty (Limited Warranty). For staggered fitments (different size tires on front & rear axle), the mileage warranty will be 50% of the standard mileage warranty.

***This Limited Warranty is not valid unless accompanied by the Covered Tires and the attached original invoice.***

## **NO-HASSLE ROAD HAZARD PROTECTION, WORKMANSHIP AND LIMITED WARRANTY FOR TREAD LIFE**

Les Schwab provides tire protection for Covered Tires with non-repairable damage due to normal road hazards (Tire Protection). If a Covered Tire is eligible for Tire Protection, you are entitled to one of the exclusive remedies listed below. Normal road hazards are unexpected contact of a Covered Tire with objects on the road that are not a normal part of the road surface, such as rocks, nails, potholes, unexpected debris, or glass.

### **EXCLUSIVE REMEDIES**

If a Covered Tire is eligible for Tire Protection, fails to conform to the limited warranty for tread life, or fails due to defects in manufacture or materials, Les Schwab will provide at its election one of the following exclusive remedies:

- A. If a Covered Tire eligible for Tire Protection incurs non-repairable damage before any portion of the Covered Tire is worn to 2/32" or less, Les Schwab will replace it free of charge.
- B. If a Covered Tire fails due to defects in its manufacture or materials before any portion of the tire is worn to 2/32" or less, Les Schwab will replace it free of charge. Except as set forth in section (C), a tire worn down to 2/32" tread depth is not a Covered Tire.
- C. If a Covered Tire wears to a tread depth of 2/32" before the mileage indicated in the limited warranty for tread life, Les Schwab will make a pro-rata adjustment based on the original purchase price, excluding Federal Excise Tax, multiplied by the pro-rata adjustment. The pro-rata adjustment is 100% less miles of service divided by the mileage indicated in the limited warranty for tread life.
- D. You may elect to receive an adjustment in the form of cash or a credit applied to the purchase of new tires at any Les Schwab Tire Center.

### **WHAT IS NOT COVERED BY THE LIMITED WARRANTY FOR TREAD LIFE**

The limited warranty for tread life does not cover services, damage or wear due to any of the following: misuse or abuse, misalignment or tires out of balance, over or underinflation, repairs, off-road use or use on unpaved roads, use on commercial vehicles, excessive loading, vehicle accidents, or tire contact with curbs, poles, garbage bins or other similar items on or off the road surface.

### **FREE TIRE MAINTENANCE**

You will receive the following tire maintenance services at no charge for the life of your Covered Tires:

**FLAT REPAIRS:** All repairable flats on Covered Tires are fixed free of charge for the life of the Covered Tire through 12.00-inch size cross-section. Lock ring and tube-type wheels are not included.

**TIRE ROTATIONS:** Covered Tires may be rotated free of charge every 5,000 miles or as needed to ensure maximum mileage for the life of the Covered Tires. This service includes removing mounted Covered Tires and rotation. It does not include dismounting/mounting tires on wheel(s). Covered Tires not regularly rotated will void this Limited Warranty.

**REBALANCING:** Les Schwab charges for the original balancing. Should rebalancing be needed for vibration reasons, the rebalancing will be free for the life of your Covered Tires. Free rebalancing does not apply to tires that must be dismantled and mounted on wheels or to winter tire installation and removal.

**AIR CHECKS:** We will perform free air checks on Covered Tires anytime. Proper inflation must be maintained for purposes of this Limited Warranty.

**TIRE CHECKS:** Covered Tires will be checked free of charge for cuts, snags and nail holes at any time upon request.

**VISUAL BRAKE AND ALIGNMENT CHECKS:** Upon request, Les Schwab will visually inspect the condition of the vehicle's brake friction, rotors or drums, and hoses. This service is available for most vehicles. In addition, Les Schwab will do a visual alignment by inspecting the condition of your Covered Tires, including tread wear and tread wear patterns.

**WINTER TIRE INSTALLATION & REMOVAL:** Les Schwab winter tires already mounted on separate wheels will be installed and removed free of charge. If mounting/dismounting on wheels or balancing is required, additional charges will be included for those services. If there is a breach of a Care Service, then Les Schwab's sole obligation, and your exclusive remedy, will be for Les Schwab to re-perform or correct the Care Service at issue.

### **EXCLUSION OF OTHER WARRANTIES**

To the full extent permitted by law and except for the limited warranties expressly made above, Les Schwab excludes and disclaims all other warranties concerning the Covered Tires, express or implied, including but not limited to the warranty of merchantability, the warranty of fitness for particular purpose, and any warranties that may have arisen or may arise from course of performance, course of dealing, or usage of trade.

### **LIMITATIONS ON YOUR REMEDIES**

In no event will Les Schwab have any liability to you in contract, tort or otherwise for any claimed incidental or consequential damages of any type whatsoever, arising in any way from breach of the Les Schwab Tire Warranty\* (Limited Warranty). Some states do not allow the exclusion of incidental or consequential damages, so the above limitations may not apply to you.

The Les Schwab Tire Warranty (Limited Warranty) gives you specific legal rights and you may have other rights which vary from state to state.
