

BATTERY WARRANTY

(Limited Warranty)

The Les Schwab Battery Warranty (Limited Warranty) is provided for free as part of **Les Schwab's World Class Customer Service** and is valid for the original purchaser of the new passenger and light truck battery (battery) listed on the attached original invoice.

FREE BATTERY REPLACEMENT COVERAGE

If the battery should fail in the same vehicle at any time within the Free Replacement Period (as shown in the chart below), we will replace it for free.

FREE EXTENDED WARRANTY COVERAGE

This Limited Warranty provides extended coverage of your battery beyond the Free Replacement Period. Should your battery fail in the same vehicle between its Free Replacement Period and the Extended Warranty Period (as shown in the chart below), you only need to pay for the battery life you used to get a similar, new battery. This amount is calculated by taking the original purchase price of your battery and pro-rating it by the months remaining in the Extended Warranty Period. You can also elect to take a pro-rated cash refund based on the months of use.
